#### REMINDER:

**Basisschool de Schakel and Peuter group Prikichi will be closed on:  
Monday October 10th and Tuesday October 11th.**

In connection with study days for the team members the students will be off these two days. The study days will focus on Lifestyle. Lifestyle is a method that concentrates on accompanying social emotional development of students. On Wednesday 12<sup>th</sup> of October and Thursday 13<sup>th</sup> of October We will organize 2 parent evenings in which the Lifestyle theme will be central. We will inform you more about this later.

#### Groups performance (day/weeks closing):

A few times per year you can come to see a performance of your child.

This year we will organize this in different ways:

- in the group;
- in a weeks closing for 3 to 4 groups or
- in a week closing at school level.

A performance can be a varied presentation of music, dance and/or theatre, mostly about a certain theme. Also the peuters and kleuters will be on stage with their first poem or song. You are cordially invited to come and see these group performances. To avoid putting too much pressure on the children we limit the amount of spectators.

- With a group performance in the own classroom the parents of the children in the group are invited.
- With a weeks closing for 3 to 4 groups the parents of the children of these groups are welcome.
- With a weeks closing at school level, all the children of the school will be present and also the parents of the children who will be performing are invited to come and see.

In the agenda of the newsletter we will inform when the groups will be performing.

The first performance of this year will take place in the classroom of your child(ren).

# Prikichi

We started on September 1st, almost a month already!  
 The children are having super much fun!  
 We have been working on the theme: "this is Me".  
 The children have learned to glue, paint, cut, tear, color,  
 dance, sing songs and much more!  
 Our peuters also participate in gym, very exciting the first time  
 but by now they are used to it!  
 We've made French toast and ate it!  
 Take a look at our pictures,  
 Greetings,  
 The Prikichi teachers.
